

# Show your GSWNY troop or Girl Scout spirit!

## SHOW YOUR SPIRIT THROUGH ART FOR A CHANCE TO BE FEATURED!

Get your art featured on the landing page of our council's M2 Fall Product Program System for the 2020 program. This means all WNY visitors to the Fall Sale will see your art!

**We will be featuring at least one piece of art from EACH COUNTY in our council.**  
A top choice will be voted on to be displayed larger in the final collage of 9 pieces of art!

### Create a piece of art that shows what Girl Scout Spirit means to you or your troop.

- **Create** a photo, painting, drawing, computer design, or whatever other kind or style of art you think of!
- **Submit** a photo or digital file of your final artwork to [productsales@gswny.org](mailto:productsales@gswny.org).
- **If a troop works together on an entry**, photos of all participating girls must also be submitted. **If a girl is submitting solo**, she must include a photo of herself. All participant photos must show members in Girl Scout uniforms or wearing Girl Scout themed attire.
- All entries must include the names (first and last) of all participants and the 5-digit troop number(s).

### Other Rules:

- Girls (grades K-12) must be currently registered members of GSWNY.
- Submissions must be sent in correctly by Sept. 4, 2020.
- Council staff reserve the right to narrow down choices from counties with multiple submissions.
- Videos and motion graphics can't be submitted.
- The public will vote on final selection with one finalist being featured larger in the final collage. If a county does not have a submission the total quantity of art in the final collage will be decreased.
